Nordic folklore cross-pollinated with iconic military tailoring, workmen uniforms, 1940's inspired elegant fabrics. An Irish charm for global travellers brings into the wardrobe cashmere-trimmed parkas, deconstructed jackets, camouflage velvets, lightweight sweaters, jumpers as an alternative to outerwear. Once again, a relaxed fit for the trousers with drawstrings, tuxedo bands, pleats, big pockets.

*Folklore nordico contaminato dalla iconica sartorialità militare, da divise worker e tessuti eleganti d'ispirazione anni '40. Fascino irlandese, viaggiatore del mondo, porta nel guardaroba parka rifinito in cashmere, giacche destrutturate, velluti camouflage, maglie dai pesi leggeri o alternative alla giubbotteria. Nei pantaloni prosegue la vestibilità relax, con coulisse e banda smoking, pences e tasconi.*
